printed in several places. No delay in deliveries of supplies required for the catalog is contemplated as a result of this minor revision.

3. OTHER ITEMS OF INTEREST:

a. Supply Regulations: (continued item)

Met with DD/P-Admin relative to headquarters regulations on the establishment of an Operational Stock Room for use by DD/P elements in equipping personnel traveling to the field on PCS or TDY. The regulation was approved in general at this level of collaboration and no controversial points to the regulation developed.

b. Procurement of New Safe Files: (new and completed item)

Physical Security has recommended to the Division the procurement of safe cabinets manufactured by [REDACTED] which are felt to be the most secure safes on the market today. The cost per cabinet, when ordered in quantities of 100, is \$267.31. Based on this recommendation and stock status requirements for safe file cabinets, a requisition for 200 units has been processed to Procurement for action. It should also be pointed out that the [REDACTED] in the opinion of experts in this field, closely approximates the standard specifications for safe cabinets being developed jointly by the Agency, AEC, GSA, and DOD.
